Subject: Docket 2018-2-E - Extension of Time to File Responsive Testimony

This email was dictated by Richard Whitt:

David:

1. We represent the South Carolina Solar Business Alliance, Inc., and Southern Current LLC, in Docket 2018-2-E. I am addressing this request to you, because you have previously issued a Standing Hearing Officer Directive in this Docket.
2. As you know, SCE&G filed its Testimony on February 23, 2018, in Docket 2018-2-E, addressing not only the fuel case, but including the issues of PR-2 rate update and avoided costs. The inclusion of these two additional issues were as a result of SCE&G's request for a waiver, filed with this Commission on December 22, 2017.
3. Because these two additional, important issues were included in the Testimony, we are requesting that our March 22, 2018 Testimony deadline to be extended 90 days, or in the alternative, be held in abeyance until the parties have ample time to complete discovery requests and report back to you.
4. The issues of the fuel case, plus the PR-2 rate update and avoided costs, are too complicated for the existing time frame. Also, we need time for discovery requests to the Company, before we file Testimony.
5. All parties are copied hereon. Please advise, and this request is,

Respectfully Submitted,
Richard Whitt,
Timothy F. Rogers,
As Counsel for South Carolina Solar Business Alliance, Inc., and
Southern Current LLC.
